REQUESTING CONCERN FROM THE PARENTS AND PUPILS,

THEME: - OBLIGATORY DUTY

Time and again reminder message is forwarded to you regarding the responsibility of the on-time clearance of fees towards your wards. Many of the parents keep this reminder as an obligatory; thank you so much. However, parents who seem to be silent and behave as ignorant should be regular toward their duties. Please, you must deposit the fees allotted to the wards, before being attended for the half-yearly examination. Henceforth, the office will update the online fee deposit. On account of this don't miss out the examination. Seeking your kind cooperation.
