

Tentative notice for lockdown period only

Respected Parents and students,

For the session 2020-21, since April, school is being conducting online classes and then test after summer vocation. However, fee has not been received. School is battling to go through the final affiliation. For the same school has invested a lot, for the new labs, library and campus beautification. **For the “lockdown” Perid School had decided not to increase the tuition fee. 2020, (Lockdown) since, May till the school re-opens, Electricity, Labs and Library fees will be minimized. Fees, which were being collected, would be adjusted when the school resumes.**

Kindly appreciate the teachers’ hard work and double effort from home to home lessons and tests during the lockdown period. They have no tuition and no other means of survival, nevertheless, they have to run the family and meet the other expenses. Unless and until you pay the fees, how can school make the payment to the teachers? School depends totally on collection. **I urgently request you to pay the fees as early as possible at least the month of May and June 2020**

Don Bosco School Monigram is among the top “ICSE” School in education, having the lowest rate of fees, the best campus and well equipped labs and library. I appreciate the standard teaching of teachers and smart learning of students with 100% result.
