

DON BOSCO ENGLISH MEDIUM SCHOOL MONIGRAM, RAGHUNATHGANJ,  
AND SAGARDIGHI, MSD. W. BENGAL

**THE SUMMER VACATION: MAY 19 TO JUNE 15, 2022**

This is the observation of experts or the resource personnel that the school's infrastructure in the present scenario is to the mark. School's teaching faculty and team too, are fine. Nevertheless, there is much more to improve on both ends. The first aspect for the teachers and the students to improve a lot is to read, write and speak English correctly and to exhilarate the English culture and the standard of school and the ICSE board.

Having highlighted the needs of the present scenario I request the teachers to learn standard English and guide the pupils to achieve the standard.

I advise the students of all the classes to make use of the summer vacation to improve the English language by reading and writing English or to learn at least five new words every day. Have a fruitful summer vacation.

SCHOOL RESUME ON JUNE 16, 2022. ATTENDANCE IS COMPULSORY
